

4D2ND ST

HBC Kid's Music Week

August 6-9, 2018

*4D2nd Street is a week of music and fun for rising 2nd graders through rising 8th graders. What are the **four D's**? - **Drama, Discovery, Discipleship and D'Music!** We will be singing in the mornings and playing in the afternoons. Our mornings start at 9 a.m. and will be over at 4 p.m. (You can drop your child off as early as 8:30 a.m. and pick up as late as 4:30 p.m.). The cost is \$70/child which will include music, snacks, lunch and all activities.***

*This year we will be doing **Not Your Average Joe** which was written in part by HBC's Deborah Craig Claar! The story is about Joseph with a 50's twist. In 1959, Papa Jake turns over his business Papa Jake's Fries 'n' Shakes to his son Joe for the summer. With some help from his jealous siblings, Joe unexpectedly finds himself aboard a woodie wagon headed to a faraway land of sand, strange customs, and the beach. The ups and downs of the journey remind Joe that God is with him, and the hurricane force of a food crisis teaches Joe and his reunited family the power of forgiveness. The classic Old Testament story of Joseph is retold in the exuberant times and music of the '50s. Trust the Lord with all your heart.*

Some important info: The dates are at the top of this sheet. We'll meet from 9-4 (except for the performance on Thursday @ 6 p.m.) The cost is \$70/child which includes EVERYTHING! (Some scholarships will be available if needed).

Following the performance will be a sundae fellowship for kids, parents and friends.

****Registering after July 30, 2018, the cost will be \$75/child.**
